EDUCATION

RMK College of Engineering and Technology, Thiruvallur **2023 – 2027**
*B.E. Computer Science and Engineering – **CGPA: 8.3*** *Thiruvallur, Tamil Nadu*

EXPERIENCE

Data Annotation Intern – MyInception Tech | (Internship) **June 2025 - July 2025**

- Worked as a Data Annotation Engineer, preparing and labeling image datasets using Labelling.py to support machine learning workflows.
- Collaborated with team members to refine annotation processes, gaining practical skills in data preprocessing and agile teamwork.

IS–Cyber Security Intern – CPCL, Chennai | (Internship) **May 2026 - June 2026**

- Collaborated with the Security Operations Center (SOC) team and gained practical experience in monitoring and responding to security incidents.
- Worked hands-on with SIEM and SOAR platforms to detect threats and automate responses, improving speed and efficiency in handling security issues

TECHNICAL SKILLS

Languages Framework: Java, SQL, Springboot
Developer Tools: VS Code, IntelliJ IDEA, Postman, Git, GitHub, Vercel

PROJECTS

TickIt - Task Manager

- Built a full-stack Todo management app using Spring Boot and SQL, with secure authentication via JWT tokens.
- Implemented CRUD operations and pagination in RESTful APIs to efficiently manage and retrieve tasks.
- Designed a layered backend architecture with JPA and integrated a responsive frontend for seamless usability.

Quorvia - Online Collaboration Platform

- Implemented secure login and authentication using Clerk, with user data synchronized to MongoDB via Ingest background jobs.
- Developed real-time messaging with Stream API, supporting public and private channels, direct chats, polls, reactions, and file sharing.
- Integrated audio/video calling, screen sharing, live presentations, and call recording powered by Stream Video SDK for seamless collaboration.

COURSEWORK

- Data Structures and Algorithms
- DBMS
- Rest API
- OOPS
- Computer Networks
- Java
- Software Engineering

CERTIFICATION

- Toefl itp- B1 Level
- Oracle Cloud Infrastructure Certified Foundations Associate (Oracle University)
- Java Foundation Certification (Infosys Springboard)
- SQL AI Developer Associate (Microsoft Certified)

SOFT SKILLS

- Adaptability & Flexibility
- Time Management
- Leadership
- Rapport Building
